YOU ARE INVITED!

Please join President Susan Herbst for a ribbon cutting to dedicate the Innovation Partnership Building

SEPTEMBER 20, 2018
11:00am Ceremony
11:30am Reception and Tours

The ribbon cutting will be followed at 12:30pm by the 2ND UCONN TECH PARK SYMPOSIUM
R & D Innovation Partnerships: Driving Connecticut’s Future

INNOVATION PARTNERSHIP BUILDING AT UCONN TECH PARK
159 Discovery Drive, Storrs, CT

The Innovation Partnership Building (IPB) at UConn Tech Park is UConn’s premier center for state of the art equipment, cutting edge research and cross disciplinary partnerships. This vibrant new facility houses academic/industry partnerships with diverse expertise ranging from manufacturing to biomedical devices to cybersecurity and more. The IPB’s unique resources foster research that drives the development of new and innovative ideas and technologies and that promotes the creation of new jobs and economic growth for the State of Connecticut.

RSVP by Friday, September 14
rsvp@uconn.edu or 860-486-1038

Please indicate if you will be attending the symposium when responding.

If you are an individual who requires an accommodation to participate, please call 860-486-1038 or email rsvp@uconn.edu.
